Drive up Covid screening for tribal members, staff & the public.

Lower nares rapid test, NP swab send outs.

Community Health Nurse

Supplemental Staff Nurse

Specialized Staffing Solutions - Bloomer, WI

May 2020 to September 2020

Work Per Diem in Long Term Care facilities as a staff nurse supplementing nursing home staff during staffing shortages.

Contract Nurse

Medical Staffing Solutions LLC - Rice Lake, WI
March 2020 to May 2020

Supplemental staff during staffing shortages in LTC facilities. Medication, treatment nurse. Contract work, 8 weeks was my last contract with this company. I am currently with this company, but there are no contracts available to me at this time.

Staff Nurse

Water's Edge Care Center
March 2019 to April 2020

Pass medications, perform treatments, guide nursing assistants in caring for up to 25 residents in a 50 bed rehab/LTC facility. Assess residents with complex medical problems including IV therapy, pain management and work collaboratively with the complete healthcare team for the optimum outcomes for each resident. Work with ECS Emar system to chart daily care of residents, acute and Medicare charting as well as summary charting.

RN-Nurse Consultant

HealthDirect LTC Pharmacy
February 2016 to April 2019

Travel to facilities HealthDirect served to audit med rooms and med carts for medication storage compliance, with a written report to Director of Nursing after each visit. Assist in resolving customer service issues between facility and pharmacy, med pass observations, assist with new start ups which include, pharmacy inservice, all operational aspects of new business, assist facilities with questions in regards to nursing regulations, promoting continued education through on-line courses offered through HealthDirect portal, and always promoting and upholding the values of our company with the focus on Customer Service.

Pacu-rn

Marshfield Clinic Ambulatory Surgery Center - Eau Claire, WI
July 2015 to December 2015

Recover patients after surgical procedures, caring for them through both PACU I & PACU II through to discharge home. Maintaining airways, monitoring vital signs which includes pain management, setting up follow-up appointments, med management with new med orders from physicians, call in scripts to pharmacies, giving discharge instructions to patient and family members & discharging patients safely to their caregiver.

Home Health & Hospice Case Manager

Mayo Health Systems - Eau Claire, WI
January 2015 to July 2015

Visited patients in the home, gave direct care and managed a case load of no more than 12 clients. Was on call over night for clients, death visits for hospice patient and family support. Performed wound care including wound-vac experience & ongoing assessments of clients in homecare.

Account Executive/Customer Service Nurse

Alliance/Omnicare LTC Pharmacy Services, Inc - Chippewa Falls, WI

June 2008 to October 2014

Duties included: Auditing med rooms and med carts in regards to pharmacy/state compliance for proper storage and use of medications. Manage the operations end of pharmacy services in setting up and managing new accounts, in-serviced staff at facilities we serviced on pharmacy operations and the systems in place to ensure they received the residents needed medications in a timely manner. I maintained good relations with administration and staff of the facilities we serviced. In-serviced nursing staff of med-pass safety, completed med-pass observations on nursing staff and assist in state plan of corrections related to any pharmacy deficiencies. My job was self-directed as I worked in the field on my own, and developed the ability to work autonomously.

ER Nurse

Red Cedar Medical Center - Menomonie, WI
2007 to 2010

Duties included: Treating patients of all ages, dealing with many types of illnesses and injuries. Assessed and treated people with life threatening conditions. Performed and assisted physicians with various procedures such as conscious sedation, setting fractures, spinal taps, suturing, ECG's, NG-Tube placement, for medical and trauma related procedures. Part of my job in the ER was to triage patients that came to the Urgent Care Dept. to ensure proper placement to either the UC or ER based on their immediate needs.

RN

Long-Term Care - Lake Nebagamon, WI
April 2000 to April 2009

Left Specialty in 2009 Duties included: Traveled throughout NW WI & Eastern MN first as an LPN and then as an RN. As an LPN I worked primarily in Nursing Homes as a medication/Treatment nurse and in Critical Access Hospitals on the med/surg floor doing direct patient care including their medications and treatments. As an RN I worked in the med/surg, ER, SCU, Geriatric Psych and Charge RN in LTC facilities. This position helped me develop as a nurse to become highly organized in ever changing environments, always, with the focus on safety for those I cared for.

Med/Surg, ER, SCU & Charge Nurse

Westfield's Hospital - New Richmond, WI
2005 to 2006

2003-Sacred Heart Hospital, Eau Claire, WI-14 weeks in CCU just after obtaining my RN License.
2000-2003-Terraceview Nursing Home, Shell Lake, WI-LPN floor nurse (while in school for RN) 1995-1999-
