- To work in an emergency department, providing competent and compassionate care to all patient populations.

Authorized to work in the US for any employer

Work Experience

Registered Nurse II

CHI St. Joseph's health - Madisonville, TX

May 2021 to Present

In a critical access hospital emergency department, I act as a charge or primary RN assessing, treating and evaluating their response to treatment or of their condition warrants transfer for higher level of care.

RN House Supervisor

Emergency Hospital Systems LLC

December 2020 to May 2021

I was the nursing supervisor responsible for ensuring safety of patients and staff. I staffed the hospital with nursing staff and assistants to care for the patients throughout the hospital. I performed audits on charts to identify errors and ways to correct errors on charting. Starting in February I was the supervising RN at the covid hub that our hospital was selected for. I was responsible for the overall safety of patients and staff. This involved educating the patients, keeping count of vaccines, maintaining adequate records and having appropriate staff and supplies to run the covid clinic. I also monitored patients after their vaccination for possible allergic reactions and intervened if necessary.

Registered Nurse III

CHI ST Lukes Memorial - Livingston, TX

August 2017 to December 2020

My main function was to treat patients with traumatic injuries and use my knowledge to ensure the best possible outcome for the patient in a time critical manner.

Registered Nurse II, CHARGE RN

Huntsville Memorial Hospital - Huntsville, TX

September 2017 to July 2018

Registered Nurse II Emergency Department, Charge RN

Houston Methodist San Jacinto

November 2012 to February 2017

Houston Methodist San Jacinto

Registered Nurse II Surgical/Pediatrics, Charge RN

PALS

April 2008 to November 2012

instructor, lead preceptor, lead educator for joint replacement program

Registered Nurse, Obstetrics

Houston Methodist San Jacinto - Baytown, TX

January 2009 to January 2010

I cross trained in the nursery and worked triage, antepartum and postpartum.

Education

Associate degree in nursing

Lee college - Baytown, TX

2008

High school diploma

Dayton High School - Dayton, TX

2004

Nursing Licenses

RN

Expires: December 2020
