## Work Experience

---

### **Registered Nurse**

Silver Cross Hospital - New Lenox, IL

December 2019 to Present

I work on the Cardiovascular Unit (CVICU). This unit cares for patient post open heart surgery until they are stable for discharge. This unit also cares for patient post operative VATS (chest tubes). Although I am not completely trained in these areas, I am familiar with the processes. I am eager to learn this and willing to do what is needed to be efficient in this area.

### **RN**

MetroSouth Medical Center - Blue Island, IL

July 2018 to September 2019

I worked on a Cardio Vascular Telemetry Unit (CVTU)/ICU stepdown. Previously, July until December, I worked on a Med/Surg floor. My job consists of daily physical assessment, NIH scoring, IV insertions and maintenance, telemetry monitoring, nasogastric tube monitoring and insertion, diabetic monitoring, blood products administration, computerized charting, admissions/discharges, teamwork, and many other tasks required on the unit.
