## SKILLS

---

Team-oriented with success in leading nursing teams and coordinating care to various patient populations. Solid clinical, utilization review, and case management experience within a managed care environment.

Bilingual/Bi-literate in Spanish. Nurse Preceptor

## EXPERIENCE

---

### CLINICAL COORDINATOR • DAVITA • JUNE 2013 – PRESENT

Provide patient care for a caseload of 20-25 peritoneal dialysis patients. Assess patient needs and provide medication management, coordination of care, and patient education. Ensured efficacy of treatments through monitoring of treatment regimens. Partnered with physicians, LCSW, and Registered Dietitians to develop and implement individualized care plans, patient interactions and interventions.

### RN SUPERVISOR • WESTGATE • 06/2012 – 06/2013

Provided direct nursing care to patients in a 150-bed facility. Assessed, planned, and evaluated nursing care delivered to patients requiring long-term or rehabilitative care. Supervised other licensed healthcare workers. Work with identified members to assess patient care needs. Ensured Policy and Procedure compliance and maintained standards of practice and documentation consistent with Medicare regulations.
