Responsibilities

Safely transferring students to and from home and school in a timely manner.

Finding safe and time proficient alternate routes to and from the schools, the kids homes and our base to safely get the kids to their prospective destinations in a timely manner.

being prompt and following all procedures and protocols during any problems or unexpected events.

Accomplishments

I worked with amazing kids.. some with handicaps and behavioral problems and some without. i never had any problems on my bus as far as kids fighting or not listening or getting out of hand. We sang songs and did math problems and i even got cookies and candies from the parents and teachers for their gratitude. i got a lot of recognition for my timeliness and my professionalism and how well i interacted with the students.

Skills Used

my driving, problem solving, time management, and most of all my people skills...
