Work Experience

Ambulatory Surgery Center Operating Room and Pain Clinic RN

Advocate Aurora Health - Greenfield, WI

March 2021 to Present

Responsible for the daily operation of the operating room and provide direct patient care. Demonstrate care and compassion to patients while seamlessly walking them through their treatment and surgical experience.

Day-to-day job duties include;

- Patient interview in pre-post area
- Monitors and assess patients during surgical procedure
- Communicate intra-operative report to post-procedure nurses
- Maintains safe and clean work environment
- Continuously monitor, assess and administer conscious-sedation medications to pain clinic patients during procedure

TAVR-Structural Heart Clinic Coordinator

Advocate Aurora Health - Milwaukee, WI

September 2019 to March 2021

Coordinated daily clinic workflow operations including patient-rooming and assessment, scribing for cardiologists and cardiac surgeons during clinic hours, scheduling patient's additional tests and procedures prior to surgery and post-op follow up appointments to the clinic.

Cardiovascular-thoracic Surgery Staff Nurse

All Saints Hospital - Racine, WI

April 2011 to September 2019

- Responsibilities include circulator and scrub nurse role in CVOR department. Duties include admission of patients preoperatively and follow up hospital patient visits postoperatively.

- Demonstrated leadership during the last 3-years as a working manager in charge of 2 CVORs of a busy cardiovascular and thoracic department. Managed an 8-member CVOR team with staffing matrix of RNs and Surgical Techs. Responsible for maintenance of staff schedule and daily workflow departmental operations while coordinating supplies and equipment acquisition from vendors and reps

☉ Surgical Coordinator

Aurora Sinai Medical Center - Milwaukee, WI

July 2007 to April 2011

As a leader and member of the surgical team, I facilitated a wide variety of surgical procedures from pre-op, intra-op to post-op care. Cases ranged from cardiovascular, orthopedic, plastic & reconstruction, general, urology, endoscopy and ob/gyn. Participated in charge nurse role, collaborated with sales representatives and Central Processing Department.

Cardiovascular-thoracic Surgery Staff Nurse

Northwestern Memorial Hospital - Chicago, IL

September 2006 to June 2007

Role include RN circulator and scrub nurse performing coronary artery bypass graft (CABG), valve repair and replacement (MVR/AVR), aortic root repair, intra-aortic balloon pump (IABP) insertion, heart transplants, ventricular assist device (VAD) procedures and other associated cardiothoracic procedures.

Cardiovascular-thoracic Surgery Staff Nurse

Milton S. Hershey Medical Center - Hershey, PA

January 2006 to August 2006

Provided safe and caring environment to patients in cardiovascular and thoracic surgery including assessments, planning, implementing and evaluating nursing care in a first level trauma center and academic facility.

Lead Cardiac Nurse

St. Francis Hospital - Milwaukee, WI

September 1994 to November 2005

Duties include preceptor in circulator and surgical technician orientation, continuing education and staff assignment. Cooperated with anesthesiologist in medication nurse role including preparation and administration during cardiovascular procedures. Assisted anesthesiologist with insertion of invasive monitoring devices such as arterial lines and Swan-ganz catheters in cardiac surgery.

Surgery Staff Nurse

Cross Country Staffing - Boca Raton, FL

July 1993 to September 1994

Provided fourteen months of circulating and scrub travel nurse assignment at St. Francis Hospital in Milwaukee, WI.

Surgery Staff Nurse

Health Sciences Centre - Winnipeg, MB

July 1991 to July 1993

Winnipeg, MB Canada July 1991-July1993

☉ Rendered intraoperative care of patients in cooperation with the entire surgical team in a circulating and scrub nurse role. Assisted anesthesiologist during induction and intubation of patients.
