

Morgan Richmond

Registered Nurse

Natchitoches, LA 71457

morgan.richmond8@gmail.com

+1 720 724 0693

Hard-working, RN, looking to apply my education and clinical experience to a position in either labor and delivery or the nursery. Areas of proficiency include detail oriented, strong technical skills, and the ability to learn concepts quickly. Also, organized, communicate well with others, and work well in high pressure environments.

Authorized to work in the US for any employer

Work Experience

Registered Nurse

Natchitoches Regional Medical Center - Natchitoches, LA

November 2021 to Present

Meeting with expectant mothers for prenatal visits and providing care for normal and problematic pregnancies. Teaching childbirth preparation classes. Providing information, guidance, and hands-on clinical care to pregnant women. Monitoring fetal heartbeat and length and strength of contractions during labor. Coaching women, assisting with any complications and administering medications during birth. Performing tests on newborns after birth. Providing guidance to new mothers on all aspects of recovery and infant care. Using equipment and administering medications related to labor, delivery, and the care of newborns.

Registered Nurse

Rapides Regional Medical Center - Alexandria, LA

January 2021 to November 2021

Provide care to patients by monitoring their health conditions, planning their long-term care needs, administering medicine, and advising patients and their families on how to care for the patient's illness after a hospital stay, amongst other duties.

Certified Nursing Assistant

Byrd Regional Hospital - Leesville, LA

September 2018 to January 2021

Provided care through effective planning, intervention and evaluation. Met the needs of the patient, family, and multi-disciplinary team through effective communication, coordination, and documentation and under direct supervision of a registered nurse. Documented patient's condition in medical and facility records according to policy and regulations. Assisted with activity of daily living tasks as well as maintaining safety and cleanliness of the floor.

Mental Health Counselor SBU-CNA

Lutheran Medical Center - Wheat Ridge, CO

June 2018 to August 2018

Provided care through effective planning, intervention and evaluation. Met the needs of the patient, family, and multi-disciplinary team through effective communication, coordination, and documentation and under direct supervision of a registered nurse. Provided patients with assigned activities and tasks. Documented patient's condition in medical and facility records according to policy and regulations. Provided therapeutic interventions on an individual and group basis which are congruent with team structure and program expectations. As well as, participated in the development and implementation of treatment plans when requested.
