cell # 210-793-9613

Objective

- To expand upon my experience and knowledge in critical care and acute care nursing. In addition to providing competent and compassionate care to the community across the country, I plan to implement my most recently gained professional knowledge of how to properly care for COVID-19 patients while continuing to learn and understand this disease.

Education

ASSOCIATES APPLIED SCIENCE AND NURSING | OCTOBER 2015

San Antonio College – Alamo Colleges District

1819 N Main Ave

San Antonio, TX 78212

#210-486-0000
