## Work Experience

---

### **POC COVID Tester**

CVS Health - Azle, TX

November 2021 to Present

Oversee patients of all ages through their COVID testing journey- including patient arrival, registration, specimen collection and specimen processing under the critical oversight of a MC provider. Responsible for infection control which is critical throughout each interaction with the patient and testing site procedures. As well as patient education in order to walk patient through the self-swab collection. EPIC used to review patient schedule, patient registration and to enter results.

### **Case Manager**

Solaris Hospice - Decatur, TX

August 2021 to November 2021

Evaluate and care for terminally ill patients. Work with and educate family and caregivers to have best outcome possible for patient. Recognize and evaluate symptoms to improve patient comfort. Offer emotional and practical support for both the patient and their family or caregivers. Demonstrate good communication skills which are imperative to express, thoughts, ideas and feelings that are helpful and comforting to the patient and family and friends of the patient. Comfortable with dying patients. Responsible for daily time management with large case load.

### **Director of Staff Development**

TRINITY TERRACE - Fort Worth, TX

March 2021 to August 2021

Plan and organize education for all nursing staff.

### **Director of Nursing (DON)**

DECATUR MEDICAL LODGE - Decatur, TX

May 2020 to March 2021

Provide guidance and leadership for staff and nursing activities at a privately owned facility that offers short-term rehabilitation, post-hospital recovery, and long-term care. Coordinate entire continuum of nursing services for residents. Forge strong team by hiring, training, and continually evaluating performance. Engage positively with families, physicians, and residents to ensure the best possible plan of care is implemented. Support development of practical goals and strategies for the facility

### **Assistant Director of Nursing**

COLLEGE PARK REHABILITATION CENTER - Weatherford, TX

June 2018 to May 2020

Monitored individuals with disabilities and/or chronic illnesses, enabling them to maintain and improve functioning. Supported residents emotionally and medically as they adapted to an altered lifestyle. Demonstrated ability to maintain positive employee relationships while enforcing compliance with applicable federal, state, and local standards governing long-term care facilities.

### **Employee Health Nurse**

ODESSA REGIONAL MEDICAL CENTER - Odessa, TX  
July 2017 to January 2018

Managed nursing care for 965 employees, including immunizations (flu, Hep B, MMR, Tetanus) and annual health assessments. Handled insurance claims and served as liaison for work-related injuries and illnesses. Performed blood draws for titers. Reviewed high volume of employee health files and paperwork to ensure compliance for hospital evaluations.

### **Charge Nurse-postpartum**

ODESSA REGIONAL MEDICAL CENTER - Odessa, TX  
January 2015 to July 2017

Specialized in provision of comprehensive, independent nursing care for new mothers and their babies. Assessed and prioritized individual needs of each patient, executing physician's orders with optimal accuracy. Offered emotional support and assistance to new mothers. Supervised application of nursing processes, quality improvement standards, and department objectives.

### **Nurse Extern**

YUMA REGIONAL MEDICAL CENTER, TOWER 4/5 - Yuma, AZ  
December 2013 to May 2014

Perform nursing duties under the supervision of a Registered Nurse including assessments, skills, patient education, charting done in computer-based program (EPIC), patient admissions and discharges. Attend monthly meetings that include educational guest speakers.
