OBJECTIVE: I am seeking an RN position at a health organization.
Dedicated and patient-focused Registered Nurse with proven expertise in acute care of patients, family advocacy and team player
Exceptional capacity to multitask: manage competing priorities with ease while focusing on delivery of superior patient care
Outstanding interpersonal and communication skills; superior accuracy in patient charting, documentation, and adhering to policies and procedures
Extensive knowledge of various cultures, diversity, and cross-cultural communication. Knowledgeable in Epic, Cerner, E-charting, Centricity, McKesson, and Pyxis. Proficient in Word, Excel, and internet research. Excellent typing skills.
