Work Experience

CNA - Certified Nursing Assistant

Home Health - Gladstone, MO

October 2020 to Present

I care for a man who needs 24/7 care and have given him an environment of healing and peacefulness and he recovers from a stroke!

CNA - Certified Nursing Assistant

Select Specialty Hospital - Kansas City, KS

February 2020 to February 2021

I worked here as a CNA during the pandemic and created a soothing environment for my patients when they were unable to see their families!

Personal Support Attendant

TNC Community - Kansas City, MO

December 2018 to February 2020

I took care of mentally disabled clients and managed their doctors appointments, schedules, and provided them with a safe and happy home!

Hostess

Prison Brews - Jefferson City, MO

March 2017 to August 2018

I worked here 40+ hours a week during high school and gained a lot of experience in customer service as hostess!

Education

Associate in Science (AS)

Metropolitan Community College Area - Kansas City, MO

August 2018 to May 2020
