Nurse Tech

Assisted nursing staff with an assortment of nursing skills.
Answered patient calls and responded to their needs adequately.
Floating between five different units (surgical trauma unit, surgery 1 unit, surgery 2 unit, neurology, and orthopedics) allowed me to gain experience adapting to varying situations.
Collaborated with patients, nurses, doctors, social workers, nutritionists, etc. to formulate the best plan of care for each individualized patient.

EXTRACURRICULAR ACTIVITIES

AACN member

An organization committed to the education and empowerment of critical care nurses around the country.

STN member

An organization committed to the education and empowerment of trauma nurses around the country.

Transforming Care at Bedside SICU member and Scribe

A unit-based committee that strives to improve the care of the patients on our unit, improve workforce conditions, and strengthen interdisciplinary relationships. As the night shift representative, it is my duty to bring concerns from the night shift staff to the meeting and report back meeting results. This was during my time at Memorial Hermann.
