Please accept my application for the nurse position that was just published on your website. As a registered nurse with over 17 years of experience in emergency/ICU, case management, behavioral health, and medical-surgical nursing, I feel I would be a perfect candidate for the role.

I have a true love for health care and always approach my profession with a positive "can do" mentality. Dedicated and professional registered nurse with extensive healthcare expertise in hospital and correctional settings looking to advance in the field of health care.

- Registered Nurse with more than seventeen years of experience in acute care settings
- Five years of managerial experience.
- Hospital experience in the Emergency Department, Intensive Care, Psychiatry, and Telemetry.
- An enthusiastic, professional leader who is committed to providing high-quality patient care and a motivated nursing staff
- A strong commitment to the development of the next generation of nurses
- Flexible and adaptable to changing patient demands and environmental circumstances.
- Team-oriented and dependable individual with professional healthcare knowledge, strong verbal and written communication skills, and solid clinical judgment.
- Open and effective communicator with analytical problem-solving skills and advanced clinical knowledge.
- Compassionate and empathetic patient and family advocate.
- Assess health condition, make diagnoses, and manage care for individuals with acute and chronic issues.
- Experienced in both organized and unstructured situations, with a strong ability to coordinate situations.
