AMARJIT KAUR BRAR

6546 West Oswego Ave | Fresno, CA, 93723 | 559-801-3465 | Jasmanbrar28@yahoo.com

I am writing to you today regarding the nursing position job vacancy for RN. I am excited to see that role perfectly suits my education and my skills; I am confident that I can rise to the challenge. I am currently in BS in the nursing program and two years of extensive work experience.

During that time, I developed the skills to deliver excellent health care and service towards patients. I have been trained in monitoring patients, updating information on vital signs and documents to effectively monitor their health.

EXPERIENCE

Saint agnes medical center Fresno Ca. June 2021----current

Community Reginal medical center Fresno May 2019- June 2021

RN, Oakwood Garden Care CenterDecember 2017 – December 2019- I am extremely organized, calm, and patient professional with excellent healthcare skills. I have

LVN, Golden Living Fresno

September 2016 – December 2017

Fresno CA

 Besides, my 1 year years of experience as an LVN at Golden living care center Fresno ca. While employed there, I commended for proficiently handling difficult situations with patients and their family member.

DMC (Dayanand Medical College & Hospital) India October 2007 – 2011

Attended daily rounds, accompanying physicians and other specialists Performed regular diagnostic tests, including blood work, using a gentle demeanor to ease patients' concerns

Monitored patients' health and maintained detailed records on all medications and treatments

Educated patients and their families on the best ways to support ongoing health in the home environment

Took vital signs and kept records on the patients.

I have performed routine procedures such as giving vaccinations and dressing wounds and medication.

Skills:

-Empathy and compassion to help patients feel comfortable, confident, and at ease -Strong communication skills, with the ability to explain complicated procedures and conditions in Great organizational skills and attention to detail in maintaining accurate patient records.
