## Work Experience

---

### **Nursing Instructor**

ECPI University - Virginia Beach, VA

September 2019 to Present

I teach maternal newborn and care of the child in the PN program. I take students to the hospital for their clinical experiences as well as running simulations on campus.

## **RN**

PSA Healthcare - Virginia Beach, VA

December 2018 to Present

I have worked as a home health nurse caring for different patients with different needs including spina bifida, microcephaly and leukodystrophy. I am proficient with feeding tubes (J and G), trach suctioning and care, wound care as well as chest PT and physical therapy.

### **RN Staff Nurse**

DePaul Medical Center - Norfolk, VA

February 2007 to Present

#### Responsibilities

I work as a Labor & Delivery nurse and a Post Partum nurse.

I am charge nurse responsible for patient assignments, staffing and communicating between doctors, supervisors, managers as needed.

I work as a mentor and preceptor to staff and nursing students.

#### Accomplishments

I have received many acknowledgements from co-workers, patients and family regarding my skill as a nurse. I have gotten unit awards for providing excellent care.

#### Skills Used

As a labor and delivery nurse I provide bedside care to the laboring woman.

I am proficient in fetal monitoring.

I can scrub & assist for Cesarean deliveries.

As a post partum nurse I care for the newly delivered mom and baby.

I assist with breast feeding.

I provide discharge teaching for new parents.
