EXPERIENCE

Genesis Logistics Santa Fe Springs

7/10/2020

My past experience is that I would operate a pallet rider and load and unload trailers with frozen and dry products for routes to seven-eleven. Throughout my time that I have been there my time was well used and valued as experience for a future job opening.

Bell Gardens High School, Bell Gardens — Diploma August 2016 - June 2020

Summary

Successful Coordinator of community service resources to meet needs and expected demands of vulnerable populations. Proficient in organization program referrals providing direct support and coordinating outreach. Talents include building relationships and partnerships to future goals.

Passionate volunteer with experience in youth football organization. Energetic individual with compassionate nature and drive to serve the populations.

Highly motivated individual, community service networking, media outreach and relationship development. Flexible and versatile team player adept at maintaining a sense of humor under pressure.
