Work Experience

Year to Year

Neuro, Spinal, Ortho - St. Louis, MO
May 2020 to Present

Responsible for assessing patients prior to surgery and alleviating their concerns. Gathering all supplies needed for the operation. Assuming responsibility of keeping the operating room sterilized. As the RN Circulator, responsibilities include managing all the necessary care inside the surgery room, assisting the team in maintaining and creating a comfortable, safe environment for the patient and observing the team from a wide perspective.

Pathology Assistant

Johnson Funeral Home - Effingham, IL
March 2017 to Present

I am responsible for supervising forensic pathologists in specimen retrieval, in addition to clerical duties.

Triage and Donor Coordinator

Mid America Transplant - St. Louis, MO
February 2017 to Present

Responsible for screening potential organ and tissue donors. Once they are a good candidate it is my job to speak with The families and coordinate the donation process.

Johnson Funeral Home - Effingham, IL
January 2016 to Present

I assist families in a despair time of hardship. I provide families the best closure I can through embalming, and I help arrange services that best suits the family wishes.

Kulls Funeral Home - Altamont, IL
January 2013 to March 2017

I assist with embalming, visitations and funerals.

Sales Consultant

Golds Gym - Carbondale, IL
June 2014 to May 2016

I was obligated to make sure the gym was clean and everything was running correctly. I assisted in memberships under the sales department and made sure the members were happy with the gym.

Sales Consultant

Mid State Roofing and Construction - Beecher City, IL
May 2013 to June 2013

I was in charge of leads and provided estimates to customers wanting a new roof.

Waitress

Ruby Tuesday - Effingham, IL

October 2011 to July 2012

Seat, greet and attend to customers.

Education

BSN in Nursing

Goldfarb School of Nursing - St. Louis, MO

April 2020

Master's in Healthcare Administration

Southern Illinois University Carbondale - Carbondale, IL

December 2019
