## RELEVANT WORK EXPERIENCE

---

### Memorial Hospital

South Bend, IN

*Registered Nurse (RN), Emergency Care Center*

*February 2021-Present*

- Uphold all clinical expectations of a professional nurse while working in a fast-paced, busy emergency department trauma center
- Quickly assess the needs of patients while initiating, implementing, and evaluating individualized plans of care to treat critical injuries and trauma.
- Demonstrate strong decision-making skills in medical emergency situations.
- Coordinate and collaborate with other professional, clinical, and ancillary staff in providing compassionate and quality care to all patients.

*Unit Assistant, Emergency Care Center*

*May 2019-January 2021*

- Supported the nursing and medical staff by executing administrative and clerical tasks.
- Assisted in providing patient care under the supervision of an RN.
- Balanced a full course load while working 36 hours every six weeks during the academic year and 24 hours per week during breaks.

### The Kellogg Eye Center (formerly known as Retina Vitreous Center)

Grand Blanc, MI

*Technical Office Assistant*

*June 2015-September 2015*

- Efficiently supported the Center by obtaining initial patient health information and performing administrative tasks.
- Assisted the doctor in clinical procedures by prepping the patient, sterilizing the working area, and handling medical tools.
