Proactive individual focused on delivering high-quality patient-centered care. Skilled in overseeing acute and chronic conditions throughout my clinical experience and working as Nurse. Seeking a position in a progressive facility that challenges me and help me grow as a Registered Nurse.

Authorized to work in the US for any employer

Work Experience

Registered Nurse (RN)

MUSC Marion Medical Center - Marion, SC

November 2020 to Present

Consults and coordinates with health care team members to assess, plan, implement and evaluate patient care plan

Provides bedside care for a wide variety of medical patients, including pre- and post-surgery patients
Initiates patient education plan, as prescribed by physician. Teaches patients and significant others how to

manage their illness/injury, by explaining: post-treatment home care needs

Changes dressings, inserts catheters, starts IVs

Prepares equipment and aids physician during examination and treatment of patient

Responds to life-saving situations based upon nursing standards and protocol

Participates in discharge planning

Utilizes time management skills

Records all care information concisely, accurately and completely, in a timely manner, in the appropriate format and on the appropriate forms

Performs other position-related duties as assigned, depending on assignment setting

Nurse Technician

Grand Strand Medical Center - Myrtle Beach, SC

February 2019 to Present

- Assisted patients with mobility needs, including moving to and from beds, organizing wheelchairs and preparing assistive devices.
- Perform EKG and use of bladder scanner
- Facilitated activities of daily living, including personal hygiene management, feeding and ambulation.
- Obtained biological specimens for ordered tests and prepared for laboratory transport.
- Checked patient vitals such as temperature, blood pressure and blood sugar to stay on top of symptoms and keep RN informed of changes.
- Answered call lights and supported patient comfort and safety by adjusting bed rails and equipment.
