## Work Experience

---

### **St. Francis - student RN**

January 2022 to December 2022

Here I functioned very independently to pass patient's medications, assist leadership courses throughout with birth, document on patient's status, perform postpartum care my college career. I have also assessments, complete newborn assessments (vitals, 24-hr assessment, volunteered at American Red reflexes, bath, footprints), complete discharge teaching, and even got to participate in helping woman give birth and newborn vitals.

### **Aurora West Allis Cardiac Unit**

Aurora West Allis Cardiac Unit  
January 2022 to January 2022

disposed of safely, and

Here I pass medications, perform head-to-toe assessments, take vitals, volunteered at multiple and perform and document cares. These patients have rapidly changing fundraiser events for the statuses so I learned it is important to check the MAR very often and to American Lung Association. multitask. Additionally, I have organized and run cancer walks and

### **Rodgers Behavioral Health**

Rogers Behavioral Health  
January 2021 to December 2021

Here I also got to work as a student RN and perform mental status checks, pass medication, document, and do basic care.

### **Stocker**

ECOM - Fleet, VA  
January 2019 to December 2021

I would shop for customers' online orders in store and give it to them to pick up in store or ship the package to their home address. The top priority was always the customer, it was essential to stop and ask customers if they needed help with anything which I gained a lot of interaction through.

### **Food Prep / Customer Associate**

Flabo Bros Pizzeria  
January 2016 to December 2018

I would take customers orders, make their food, prep food for the shifts ahead, and deliver food. This was a great experience in terms of people interaction and learning how to handle people who are upset and how to tend to their needs.

## **Village at Manor Park**

Village at Manor Park

Here I got the opportunity to work as a student RN and perform patient assessments, do basic care, administer shots, give medications, and document.

## **Shared Journeys**

American

Shared Journeys 2022 fundraising profiles through

Here I taught valuable lessons to teen parents about coping, how to be effectively parent, how to build positive relationships, how to manage stress, valuable life skills, ect.

## **Education**

---

### **Bachelor of Science in Nursing**

Herzing University - Brookfield, WI

Present
