Work Experience

Registered Nurse

Renown Regional Medical Center - Reno, NV
June 2021 to Present

I work as a registered nurse on the Neuroscience unit. Our patient population often consist of stroke victims or traumatic brain injuries. My unit is a step down for ICU therefore our patients are often a higher acuity.

Phlebotomist

Renown Regional Medical Center - Reno, NV
June 2019 to June 2021

Once I got into nursing school, I stepped down as a supervisor in the lab to a per diem phlebotomist. I stayed there until I graduated with my RN degree. I then started as a full time RN on the neuroscience unit.

Supervisor

Renown Regional Medical Center - Reno, NV
April 2016 to June 2019

I was a phlebotomy supervisor in the clinical lab at Renown Health before becoming a nurse.

Phlebotomist/Lab Assistant

Renown Regional Medical Center - Reno, NV
June 2012 to April 2016

I worked in a high volume outpatient clinical laboratory for Renown where we performed blood draws and sample handled the specimens to be tested.
