I specialize in protecting the most vulnerable patients. I have great hand hygiene compliance, and have not had Covid 19.

Authorized to work in the US for any employer

Work Experience

Contractor

GoMed - Bristol, TN

July 2021 to Present

I work in COVID Recovery at an LTAC. I mostly help patients who are vent weaning.

Travel Nurse

Aya Healthcare

January 2021 to Present

I travel to different facilities to help with critical needs. I have worked primarily on COVID Stepdown and COVID MedSurge, as well as float pool.

Charge Nurse

Holston Valley Medical Center - Kingsport, TN

March 2019 to November 2021

I assess, titrate drips, dispense medications, and take care of other patient needs. I work as Charge Nurse on a Cardiac Step Down unit.

Contractor

Virginia Department of Health - Gate City, VA

September 2020 to February 2021

I assisted in case investigation, Flu and Covid-19 vaccinations, and other duties as needed by the Health Department.

Nursing Assistant

Health Pro Staffing - Johnson City, TN

July 2016 to April 2019

I did local travel, filling in for IPMC, SSH, UNCH Long Term Care, JCMC, FOCH, and Bristol Hospice House, or wherever needed. I had to quickly adapt and adjust to new coworkers and had to be a team player. I was often requested by certain floors to assign me there when available. My duties included: vital signs, assisting with activities of daily living, checking blood sugars, measuring intake and output, assisting with feeding, assisting with foley catheters, starting IVs when able, and learning alongside nurses while

performing my duties. I have experience in taking care of different types of patients with different needs while applying the same philosophy of care. I received several commendations.

NA/Unit Clerk

Johnston Memorial Hospital - Abingdon, VA
April 2014 to July 2016

I assisted with clerk work for patients, assemble charts, schedule appointments, and check orders, as well as assist with admission and discharge documentation. Additionally, I took vital signs, assisted nurses in assessments and basic care of patients. I also answered call lights.

Shift Leader

Taco Bell
October 2013 to April 2014

I would take orders in drive thru, assist with scheduling, counted the safe, executed closing procedures.
