RN with bachelor's in nursing from South College. I graduated from South College June of 2020. Professional and Experienced Certified Nursing Assistant on a rehab and long-term care units. Over 550 hours of volunteer service with Veterans while getting hands on experience working with Hospice, ICU, and psychiatric patients. My long-term goal is to advance my education and get a Master of Nursing. I have been an RN supervisor at Gallatin rehab and healing for a year and recently have shifted to travel nursing. I have been doing travel nursing for about six months. My license number is 247823. I am very excited to apply for this position and look forward to hearing from you.

Authorized to work in the US for any employer

## Work Experience

---

### **Travel Nurse**

ShiftKey

March 2021 to Present

Traveling to different long term care facilities throughout middle TN.

### **RN Supervisor**

Gallatin rehab and healing - Gallatin, TN

August 2020 to July 2021

I was the only RN supervisor for night shift at Gallatin rehab and healing. I am extremely dedicated I'm passionate about nursing. I take joy in caring for my patients. I make sure that everything is getting done appropriately and in a timely manner. I am a great team player and continuously set goals to become a better nurse. I look forward to continuing my education and getting as much experience as I can. Being an RN supervisor gave me a lot of experience in management.

### **Certified Nursing Assistant**

Adams Place - Murfreesboro, TN

2016 to 2017

- Assisted patients with mobility needs, including moving to and from beds, organizing wheelchairs and preparing assistive devices.
- Obtained client medical history, including medication information, symptoms, and allergies.
- Gathered dietary information, assisted with feeding and monitored intake to help patients achieve nutritional objectives and support wellness goals.
- Answered call lights and supported patient comfort and safety by adjusting bed rails and equipment.
- Transported patients between rooms and appointments or testing locations.
- Complied with all company-specific guidelines and performed hands-on nursing care to patients under RN supervision.
- Facilitated activities of daily living, including personal hygiene management, feeding and ambulation.
- Cared for average of 10 patients per shift on a rehabilitation facility, delivering high-quality, efficient support to meet all needs.
