

Logan Rihn

RN, Med Surg

(920) 472-9880 - loganrihn@gmail.com

As a former cancer survivor I believe that I have an edge over other nurses in the aspect that I can relate to patients because I used to be in their shoes. I would describe myself as a hard worker, great team player, responsible, and respectful.

PROFESSIONAL EXPERIENCE

Registered Nurse

03/2021 - Current

Saint Agnes Hospital
