Skills

- I have 6 years experience in Med-Surg, Cardiac-Tele, PCCU, preop, COVID crisis, travel and Float Pool. My experience includes but is not limited to critical drip titration, patients on artificial ventilation, and charge nurse. I am proficient in obtaining IV access and wound care. I have excellent time management and priority of care skills. I also have 5 years of experience in a hospital lab. My skills include: phlebotomy, specimen collection, processing, requisition processing, and data entry. I have several years of CNA and unit clerk. I am a well rounded health care professional and look forward to becoming a part of your nursing team, while developing new skills and experiences. (7 years)
