Authorized to work in the US for any employer

## Work Experience

---

### **Registered Nurse ICU/PACU/CSICU**

Aya Healthcare - Virginia

January 2021 to May 2022

Travel Critical Care Registered Nurse

### **Registered Nurse ICU**

Sentara Healthcare - Norfolk, VA

June 2019 to January 2021

Admitted sedated patients from the operation room after cardiothoracic surgery.

Admitted and cared for patients in various shock states.

Implemented necessary interventions, PPE, and provided care for patients with COVID-19, TB, MRSA, and other infectious diseases.

Managed and assisted patients requiring Continuous Renal Replacement Therapy (CRRT), Impella, Intra-aortic Balloon Pump (IABP), VAD.

Worked with intubated and trached patients.

Titrated and weaned vasoactive & inotropic medications.

Managed chest tubes, foleys, central lines, swans, arterial lines, etc.

Closely monitored hemodynamically unstable patients and implemented appropriate interventions.

Cooperated closely with intensivists, anesthesia, surgeons, nephrologists, and others members of the interdisciplinary care team.

Assisted providers with bedside procedures such as central line insertion, chest tube removal, intubation, chest reentry, etc.

Educated patients and families on preop, intra op, and postop expectations as well as discharge/post-hospital lifestyle adjustments.

### **Registered Nurse, Medical/Surgical**

Sentara Obici Hospital - Suffolk, VA

May 2018 to June 2019

Performed assessments, provided intravenous therapy and complex wound care, and monitored various drainage devices.

Maintained patients' physical and psychosocial health while maintaining their safety and ensuring effectiveness of their treatment/care.

Performed general and surgery-specific post-op assessments.

Check vitals, dressings, pain, urine output, and IV sites.  
Notify physicians of patient's conditions, changes, and abnormal lab results.  
Provided education regarding diagnoses and disease processes.
