Updating MAR in PCC. Supervising staff. Keeping track of INR and other lab draws. Wts and other vitals signes. doctor and family of any changes of condition.sending residents out 911. Pass medications when needed. Destroy narcs and other meds per9 facility protocol. Keeping track of BM's . Filling out incident reports and updating all necessary persons. Would do anything asked by supervisor even work as a PCA

(personal care attendant) when short. I have worked the night shift to help out as a team player. Wound tx done as ordered. I love working as a team player.

Private Duty Nurs

Forward Management - Madison, WI
April 2011 to October 2017

I assisted a lady who was a quad. I did trach cares daily and replace the whole trach when it was due monthly. I cleanse around the foley as it was a suprapubic, I also change the entire foley when it came due. I also cleansed around the g-tube and change it when it was due or if issues came up and it needed to be changed right away. Tube feeding every 6 hrs by gravity. I would do the ordering of medications, supplies and went with client to all of her doctor appointments. I know how to use electric and manual hoers.

LPN (Licensed Practical Nurse)

Skaalen Nursing & Rehabilitation Center - Stoughton, WI
November 2010 to December 2011

Floor nurse pass medications, destroyed narcs per protocol, supervised CNA's.
