SKILLS AND ACHIEVEMENTS

COMPASSIONATE PATIENT-CENTERED CARE

- Assist patients with activities in daily living (ADL)
- Work closely with nursing staff and other professionals
- Pass medications
- Energetic, caring, team orientated with excellent communication skills
- Follow HIPAA policies and procedures to ensure resident privacy
- Respond in a timely way to unexpected/emergency situations that arise outside of the daily assignment, including emergency response system calls from residents, security issues, and falls
- Respond to and report changes in resident health status and/or any recommendations for changes that should be made to the resident plan of care
- Complete thorough daily charting requirements
