## Work Experience

---

### **LPN Staff Nurse**

Janus of Santa Cruz - Santa Cruz, CA

January 2022 to Present

I am s dosing Nurse at a Methadone clinic.

### **LVN/LPN caregiver**

George and Nancy Turner - Lynden, WA

June 2020 to Present

LVN/LPN hospice caregiver. I started out caring for Nancy whom was bed ridden but but fully communicative. I gave meds and took care of all care needed.. Her husband had a stroke a month or so later so I also cared for him . George needs most care as meds, meals, catheter replacement and care, bathing. Nancy passed away in Dec of 2020 and I am still continuing to care for George at this time but I am going to be moving on...

### **COVID-19 Vaccinator**

Kaiser Permanente - Watsonville, CA

October 2021 to December 2021

Covid-19 Vac and Covid- 19 testing

### **LVN/LPN Hospice caregiver**

Joan Savage - Lynden, WA

July 2020 to February 2021

I was a private LPN caregiver for a woman whom had Parkinson's disease. There was a team of us whom cared for her. All care's were done.. Meds given apx 6 times a day plus, Meal prep, feeding, all bathing needs ..dressing, and she needed help walking. She was active in the beginning but as time went on she slowly slowed down and we helped her pass on as of Feb 14th.

### **LVN/LPN caregiver**

Karen / Malcomb - Bellingham, WA

November 2020 to November 2020

LPN hospice caregiver for her husband whom had a brain tumor. I cared for him on Night shift basically trying to keep him comfortable.. Meds, trying to feed him, changing him. I cared for him for two weeks and he passed on.. in Nov of 2020

### **Day/Night LVN**

Sunnyside Convalescent Hospital - Fresno, CA

March 2009 to July 2009

Night LVN. Rounds, communicating with my aids, med passes, colostomy changes, GT cleanings and some times even changing, Hanging GT fluids, putting in catheters and changing catheters, changing/cleaning wounds, burns, and bed sores, charting I also had been there wound care nurse during the day for awhile then switched to nights.

### **Head night detox nurse LVN**
