To continue my career as an LPN at an organization that can benefit from my contribution to their nursing staff as well as a place that can help contribute to my knowledge of the nursing profession.

## Career Focus

I am an LPN with experience in sub-acute, long term, assisted living, and hospice nursing. Before becoming a nurse I was a CNA with 3 years' experience in home health, hospital, and nursing home care. I consider myself to have a great record of reliability and strong ability to establish rapport with patients, family, and staff. My goal is to continue my education in this field until I earn my doctorate.

Willing to relocate: Anywhere

Authorized to work in the US for any employer
