

# **Nistal Aguilar, RN, BSN**

Santa Monica, CA | (310)625-9012 | [nistalaguilar@gmail.com](mailto:nistalaguilar@gmail.com)

## **CAREER OBJECTIVE**

Experienced and compassionate licensed registered nurse dedicated to providing the highest quality of care and best practices to all patients; Looking to obtain a position in the Greater Los Angeles area to expand my nursing skills and knowledge while working in an environment that provides a superior level of care.

## **SKILL HIGHLIGHTS**

- Strong clinical judgment skills • Excellent leadership skills
- Impeccable work ethic • Ability to multitask during stressful situations
- Exceptional communicator • Proficient in EPIC computer charting
- Collaborates well with interdisciplinary teams • Outstanding bedside manner

## **PROFESSIONAL EXPERIENCE**

**April 2020 – September 2021**

***Registered Nurse | Providence St. John's Health Center | Santa Monica, CA***

Full time cardiac telemetry nurse in the hospital's Post Critical Care unit. Responsible for accommodating a diverse population of patients with diagnoses including, but not limited to, cerebrovascular accidents, myocardial infarctions and severe sepsis. Appointed to work as a preceptor teaching new graduate nurses fundamental skills and best practice nursing care. Often working as a relief charge nurse and resource nurse to help accommodate the unit's needs.

**September 2021- March 2022**

***Travel Registered Nurse | South Bay Medical Center- Kaiser Permanente | Harbor City, CA***

Telemetry/ Med-surg nurse required to float between different units. Those units included but were not limited to telemetry, outpatient COVID clinic and infusion center. Monitoring, interpreting and recording data from specialized medical technologies. Administering medication and performing treatment intervention in consultation with healthcare specialists. Advising patients on post hospital care, including prescribed medicine, home care protocols, disease prevention and lifestyle changes.
