## Work Experience

---

### **Travel Nurse**

Illinois

January 2020 to Present

Travel nurse specifically in Acute Care and MedSurg/ Telemetry. Crisis assignment as well. Amplify needs in physical and nutrition impaired patients. Manage patients care through a system approach care with highly trained medical staff. To ensure a safe transition home and gainful recovery of patients.

### **Orthopedic Nurse**

Memorial Medical Center - Springfield, IL

May 2016 to Present

Employed as an Orthopedic Nurse. I am responsible for overseeing clients who have undergone surgery of total knee replacement, shoulder, hip, broken bones. I also work in other departments as needed; which includes Cardiac, Oncology, Rehab, and Medical surgical floors. On a daily basis I take of patients pre-op and out of surgery to assess and, handle their pain regimen needs. Through education and nurse intervention help patients to maintain a safe and comfortable recovery.

### **RN-CNA Instructor/CPR Instructor/Teacher**

Capital Area Career Center - Springfield, IL

August 2019 to August 2020

Currently a state certified teacher and CNA instructor for the state of Illinois. Daily routine of class preparation to provide students with a safe environment to learn. Use of power points along with lecture and activities to engage students in the subject at hand. I monitor while giving constant feedback and positive motivation to students in lab and clinical site for practice of the 21 state mandatory skills per IDPH. Students are prepared to sit for the state board nursing assistant exam upon completion of program.

Certified IDPH CNA Instructor

Certified Teacher of Illinois

Certified CPR Instructor

RN license in Illinois

### **RN Supervisor**

Consulate HealthCare in Fort Pierce - Fort Pierce, FL

September 2015 to February 2016

Oversee entire staff of 156 patients and 27 employees in the building. I perform Tracheotomy care, Suprapubic Catheter care, Wound care, IV pump, and medication administration. Family and client concerns are top priority. I assist with employee and client complaints and address in a professional manner. I train and provide educational feedback to employees. I am able to delegate task within scope of practice of staff. Constant supervision and safety implementation are measured daily. Daily documentation of discharge and work utilization of EMAR with efficiency and accuracy. Daily intake and admission paperwork for new clients. Constant communication staffing coordinator to make arrangement for call outs and shift adjustment of employees.
