Work Experience

Licensed Practical Nurse/Charge Nurse/Health Unit Coordinator

St. Gertrude's Health & Rehabilitation Center - Shakopee, MN

February 2019 to Present

Collected biological specimens and packages for laboratory transport to complete diagnostic tests.

Managed wound care, gave respiratory treatments and helped with non-invasive procedures.

Responded to patient alarms and needs-assessment requests to identify course of treatment.

Examined and addressed lacerations, contusions and physical symptoms to assess and prioritize need for further attention.

Worked with healthcare team, including social workers, physical therapists and speech therapists, to assess patient needs, plan and adjust plans of care and actualize nursing interventions to promote and restore patient health.

Communicated concerns regarding clients' status, care and environment to nursing supervisors, clinical care supervisors and case managers.

Collected and documented vital signs to track current patient conditions.

Guaranteed exceptional care quality by correctly administering medication, inserting and caring for catheters, dressing and changing wounds and assisting with personal hygiene.

Answered patient and family questions to educate on optimal treatment procedures.

Monitored patient's respiration activity, blood pressure and blood glucose levels in response to medical administration.

Transcribing orders and implementing them in MAR.

Transcribing admission orders.

Scheduling appointments when needed.

Registered Nursing Assistant
