To whom it may concern,

I have recently moved to the state of California, and currently in school for my family nurse practitioner at Purdue Global University. The mission of your facility is to provide quality patient care in a safe and compassionate environment that provides a positive healing experience for patients and their families. I believe with my newly obtained knowledge and hands on skills acquired I would be a great addition to your company. I am prepared to take on the responsibilities of this mission to provide clients with the highest level of care within my scope of practice. Attached is my resume which provides further details about my skills and accomplishments.

Sincerely,

Sabrina Singh
