Work Experience

CNA - Certified Nursing Assistant

Oak Park Senior Living - Stillwater, MN

March 2021 to Present

Patient Access Associate / Covid Screener

Western Wisconsin Health - Baldwin, WI

September 2020 to May 2021

I spent most of my time at the front entrance of the Baldwin clinic and screened patients and visitors for covid symptoms, as well as enforce the mask mandate for the clinic while taking temps of those who enter. I interacted with patients all day as well as answered phones for appointments and sanitized areas.

CNA - Certified Nursing Assistant

Boutwells Landing - Oak Park Heights, MN

January 2020 to August 2020

I took care of 10 residents each shift. I have experience with both memory care and intensive care. My duties included getting them to the bathroom and getting them ready for meals along with feeding those who do not have the mechanics to feed themselves. I shower those who are scheduled on days I work. I am also responsible for changing them so they are ready for bed and getting them into bed. (ADL's). I am also trained to use lifts needed for residents who cannot transfer themselves. I very much enjoyed my time helping my residents, and creating that relationship with them.

Daycare Provider

Kara's daycare - New Richmond, WI

April 2014 to January 2020

I ran a daycare with my mother while I was in high school and for my first two years of college. I would provide supervision and care for children's basic needs. This included preparing meals, coming up with creative lesson plans, helping children with homework, and participating in activities such as reading and playing games!

Medical Receptionist

St. Croix spinal care - Hudson, WI

May 2019 to August 2019

A seasonal position where I had to interact with customers in person and over the phone all throughout the day along with filing and sending out statements, running insurance on patients, and scheduling patients in the system for their appointments. I had close relationships with many of my patients that I would schedule.

I took pride in my job and being the face of the small business, and I got to spread my positivity daily.
