Minneapolis, MN

-Email me on Indeed: <http://www.indeed.com/r/Andrew-Olson/2755c92d2fc2623f>

4 months experience at the Waters working in memory care trained medication assistant from RCTC. New graduate finishing #1 in my class. Certified Nursing Assistant from the American Red Cross. I have 5 years' experience in Mental Health and 1 year experience as a CNA assisting the nurses and other professional personnel in performing daily patient care. I am able to maintain a safe and productive flow to the medical unit. I have been known to be able to prioritize duties, while being available to assist others in completing tasks. Have been considered the "go to guy" for difficult/unusual circumstances. I also maintain supplies for the unit which includes patient care equipment, cleaning products and food levels.

Willing to relocate: Anywhere

Authorized to work in the US for any employer
