PROFESSIONAL SUMMARY:

To be a member of a prestigious institution where I can fully apply and practice my knowledge, skills and abilities as a professional nurse thereby attaining professional growth and contribute further to the institution's mission and vision.

QUALIFICATIONS

I am knowledgeable of the principles, concepts, methods and procedures involved in nursing care as well as nursing related education and training needs, issues and current trends. I have the abilities to give direct care, assess, plan, implement and evaluate nursing care; perform nursing activities such as the basic nursing procedures; direct and supervise activities of professional and nonprofessional healthcare workers. I am skilled in the use of problem solving approach in patient care and have a good therapeutic communication skill both oral and written. I am willing to undergo training and development activities anywhere to enhance job-related knowledge, abilities and skills to upgrade my proficiency.
