Authorized to work in the US for any employer

Work Experience

Medical Support Specialist

BioLife Plasma Services - Sheboygan, WI

July 2021 to Present

Nurse Manager

Capri Senior Communities - Grafton, WI

January 2021 to April 2021

Clinical Supervisor

Heritage Senior Living - Lincoln Village - Port Washington, WI

February 2019 to April 2020

As Clinical Supervisor, it was my privilege to oversee CNA's and Resident Assistants in their daily care for the residents of Lincoln Village. I lead Daily Focus meetings and conducted flash training during those meetings as well as med pass, med cart audits, as well as rounding with our medical director twice a month with his clientele. I utilized strong leadership, organizational skills and task prioritization.

LPN Floor Nurse

Sheboygan Health Services - Sheboygan, WI

August 2018 to February 2019

As the floor nurse I worked mostly independently but under direction of the DON. I was responsible for medication passes, obtaining vitals, admission assessments, scheduling appointments for residents and coordination of transportation to and from their appointments and accurate documentation in the eMAR.

LPN Staff Nurse

Manitowoc Health and Rehabilitation Center - Manitowoc, WI

February 2018 to August 2018

With an extensive background in psychological nursing, I had the honor of working exclusively in the facility's two memory care units and really excelled as a floor nurse.

LPN

Agnesian Healthcare - Fond du Lac, WI

October 2013 to January 2018

Nearly 5 years in behavioral health has really rounded out my career as a professional nurse teaching me valuable communication techniques I can use in any healthcare setting. I worked closely with addictionologists and alongside geriatric psychiatrists triaging dozens of troubled patients and supporting those in crisis.

Education
