To offer my service and skills as a Registered Nurse where I can expand my nursing education and training, while cultivating interpersonal skills that promote patient care in the spirit of excellence.

PROFESSIONAL SUMMARY

Registered Nurse

Skilled career professional with practical experience in hospital, home health, and primary care environments.

Trained in patient assessment, counseling, education regarding medications and treatment, lab work, documentation with care plan for diagnosis, and administration of treatment procedures.

Identifies and addresses psychosocial, cultural, ethnic and religious/spiritual needs of patients and family.

Functions as liaison between administration, physicians, patients, and other healthcare providers

Computer skilled, managing heavy daily patient volume including telephone triage, appointment scheduling, and patient referral.

Proficient in all documentation to ensure accuracy and patient confidentiality.

Maintains patient safety during all policies and procedures.

Authorized to work in the US for any employer

Work Experience
