#COVIDnurse

Authorized to work in the US for any employer

Work Experience

Unit manager

The Center at Lincoln - Parker, CO

February 2021 to Present

I am in charge of admitting all our new admissions coming in from the hospitals. I verify the orders with the doctors and assure all medications are in before admits get to our building. I ensure all carts are up to date with state regulations, part of infection control by making sure all isolation rooms are in check. I work the cart when we are short staffed.

LVN

Encinitas Nursing and Rehab Center - Encinitas, CA

December 2019 to May 2020

I was in charge of the long term unit that had 30 patients with some medicare patients as well. fast paced environment that required working closely with the medical director in house. I would administer medication by mouth and through Tubes and make sure my CNAS attended to patients in a timely manner.

Wound Care Nurse/Supervisor/Desk Nurse/Medication Nurse

Astor Healthcare Center - Vista, CA

October 2016 to May 2020

As a new LVN graduate I started as a medication floor nurse. I had the opportunity to grow within the company and later on became a desk nurse and supervisor. I was in charge of any changes of conditions of patients, carry out doctor orders, take over admissions and discharges of patients and start IV's if necessary. I was then offered the opportunity to be a part time wound nurse and became certified after completing my classes. I was the weekend wound nurse and worked closely with the wound doctor every week.
