PROFILE

Compassionate and dedicated ICU registered nurse with clinical, organizational, interpersonal, and communication skills. Efficient in managing time, prioritizing tasks, and implementing rational judgment to improve the quality of patient care. Skilled in therapeutic communication as evidenced by using silence, restating, reflecting, and giving recognition. Experience with recording and analyzing data. Proficient in Microsoft Office, Medical Manager, Cerner, and Kareo software. Credential trainer for EPIC.

EDUCATION

Towson University-*Bachelor of Science in Biology and Minor in Psychology*
August 2001-May 2005

Anne Arundel Community College-*Registered Nurse (RN) Associates Degree*
August 2014-May 2016

Grand Canyon University-*Master of Science in Nursing Informatics*
August 2019-present

LICENSES & CERTIFICATIONS

- Maryland RN License
- Basic Life Support (BLS) certified
- Advanced Cardiovascular Life Support (ACLS) certified
- NIHSS certified
- Trauma Nursing Core Certification (TNCC)

EMPLOYMENT HISTORY

Senior Clinical Nurse I-CVICU, UM Capital Regional Health (Largo, MD)

November 2019 – present

Assist the Nursing Department Manager with the direction, supervision, and coordination of patient care and nursing services on assigned shifts to maintain a high-performing clinical environment. Completed chart audits and contemporaneous staff performance reviews to ensure high-level, evidence-based care. Provide ongoing training of mentors and enforce quality and compliance standards. Develop and implement plans for the cost and clinically effective staff utilization, maximizing the alignment of staff capabilities and patient needs. Provide clinical leadership in developing patient care standards and maintain a clinical environment that demonstrates service excellence while providing patient care.

RN-ICU, UM Prince Georges Hospital (Cheverly, MD)

August 2016 – November 2019

Provided care for critically ill patients, performed assessments, and interventions at 24-bed ICU to patients with septic shock, cardiogenic shock, and respiratory failure. Competent to work with continuous renal replacement therapy (CRRT), intra-aortic balloon pump (IABP), intracranial pressure bolts, external ventricular drains (EVD), open-heart patients, and trauma patients. Able to function independently while exhibiting profound teamwork allows the unit to function cohesively. Ensure accuracy and completeness when documenting procedures, patient conditions, and medication administration. Communicated patient's condition to family and patients compassionately and clearly.

CNA-Private Duty, Genesis Selectcare (Towson, MD)

May 2015 – July 2016

Provide professional private care to assist and care for patients while maintaining their independence by aiding with daily living needs such as hygiene care and feeding. Assist with range of motion exercises, daily activities, home care, and provide companionship.

Medical Biller, OrthoBethesda (Bethesda, MD)

August 2007 – August 2014

Handled patients' accounts with Blue Cross Blue Shield, United Healthcare, commercial insurances, and motor vehicle insurances. Managed and resolved patients' accounts by working with denials and appeals from insurance companies. Knowledgeable with Medical Manager and Kareo software.

QuickConfirm License Verification Report

Primary Source Boards of Nursing Report Summary for

LAURIE MILLER SISNEY [NCSBN ID: 23187436]

As of Tuesday January 18 2022 07:36:05 AM US Central Time

Disclaimer of Representations and Warranties

Through a written agreement, participating individual state boards of nursing designate Nursys as a primary source equivalent database. NCSBN posts the information in Nursys when, and as, submitted by the individual state boards of nursing. NCSBN may not make any changes to the submitted information and disclaims any responsibility to update or verify such information as it is received from the individual state boards of nursing. Nursys displays the dates on which a board of nursing updated its information in Nursys.

This report is not sufficient when applying to another board of nursing for licensure. Use the "Nurse License Verification for Endorsement" service to request the required verification of licensure.

Contact the board of nursing for details about the Nurse Practice Act, which includes nurse scope of practice and privileges and information about advanced nursing practice roles (practice privileges, prescription authority, dispensing privileges & independent practice privileges).

UNENCUMBERED means that the nurse has a full and unrestricted license to practice by the state board of nursing.

Name on License	Type	License State	License	Active	License Status	License Original Issue Date	License Expiration Date	Compact Status
SISNEY, LAURIE MILLER	RN	MARYLAND	R223398	YES	UNENCUMBERED	07/20/2016	06/28/2023	MULTISTATE

Where can the nurse practice as an RN and/or PN?

Authorized to Practice in

ALABAMA (RN)	KENTUCKY (RN)	NORTH DAKOTA (RN)
ARIZONA (RN)	LOUISIANA (RN)	OKLAHOMA (RN)
ARKANSAS (RN)	MAINE (RN)	SOUTH CAROLINA (RN)
COLORADO (RN)	MARYLAND (RN)	SOUTH DAKOTA (RN)
DELAWARE (RN)	MISSISSIPPI (RN)	TENNESSEE (RN)
