Work Experience

PACU RN

Doctors Community Hospital - Lanham-Seabrook, MD
July 2018 to Present

I am responsible to care for patients post-operative to recover from anesthesia that include general, regional and local. As a PACU nurse I treat inpatients and outpatients according to their needs, monitoring their vital signs and bandages to determine necessary care.

PACU RN

Doctors Community Hospital - Lanham, MD
July 2017 to Present

Provide care for post anesthesia patients with focus on ASPAN standard and hospital protocol. Work directly with Anesthesiologist and Surgeons to provide optimal care for all patients. Educate and Communicate frequently with patients and their families.

ER Nurse

Doctors Community Hospital - Lanham-Seabrook, MD
July 2014 to 2017

Prepared patients for surgical and radiological procedures, initiate and maintain intravenous therapy, and operate 12-lead EKG.

Provided care for patients suffering from trauma, acute chest pain, respiratory failure/complaints, drug overdoses and gastrointestinal bleeds.
