Awards

Above and Beyond Award- submitted by Dr. J Turnbull

September 2007

Dr. Turnbull's patient was admitted with a dx: Pneumonia and I noticed the patient after assessing him for being a new RN seen he in fact was in Congestive Heart FAilure, called the Doctor which help save the patient from some unwanted outcomes.

Above and Beyond Award from a family member

April 2013

Just for going above and beyond for a family member so they could stay but her husband's side while he was passing away. I provided fresh clothes, toothpaste, toothbrush, a shower, washcloth and etc and tried to keep her calm. My coworkers put in for me with another family member
