Service-minded dutiful Registered Nurse with prowess in assessment, interventions, and evaluations to promote positive healthcare outcomes among patients, families, and communities. Aspiring to further my education and skill set through securing a position at your facility.

Work Experience

Registered Travel Nurse

Tufts Medical Center - Greenwood Village, CO

October 2017 to Present

Assist prestigious hospitals/healthcare organizations temporarily engaging PRE/POST-OP/PACU nurse responsibilities

Registered Travel Nurse

Sharp HealthCare - San Diego, CA

January 2017 to Present

- Prepared reputable hospitals with conversion to EPIC "Go Live" session in the PACU Department
- Provided onsite training as a super-user for staff nurses.
- Provided a calm work environment during EPIC transition

Registered Nurse

University Medical Center - New Orleans, LA

September 2013 to Present

- Assist Anesthesiologist in optimizing safe recovery from anesthesia.
- Recognizing and quickly resolving airway obstruction, blood pressure abnormalities, delirium, and minimizing pain/nausea/vomiting.
- Observes patients vigilantly that require ventilators.
- Assess wounds, drains, and catheters.
- Initiate patient teaching on pain management such as patient-controlled analgesia pumps.
- Discharge patients from PACU according to their Aldrete Score.
- Continuously providing patient safety and health promotion.

Registered Nurse

Ochsner Medical Center - Jefferson, LA

February 2013 to September 2013

- Established rapport with patients and family members while providing continuous emotional/spiritual support.
- Performed patients' assessments, educated patients and family on disease processes, surgical procedures, and therapeutic regimens including pain management techniques.
- Continuously providing patient safety and health promotion.

- Recommended and implemented changes to the unit regarding assignment delegations and prioritizations, resulting in higher standard patient care, and reassessed/revise plan of care.
- Integrate with multidisciplinary staff to ensure effective outcomes for patients.

Registered Nurse

Chateau Living Center - Kenner, LA

May 2012 to August 2012

- Monitored and performed patient assessments to 25+ geriatric patients.
- Collaborated effectively within an interdisciplinary team of medical and health care professional to ensure the safety and well being of the patients.
- Maintained integrity as Charge Nurse on weekends as a reference for staff.
- Continuously providing patient safety and health promotion.
