Dear Employer,

I am a quick learner that is eager to join your team. Although I am seeking fulltime employment as a staff RN I would be more than happy to accept a part time position until a fulltime position opens up. My background is predominantly emergency room nursing however I have recently been allowed to work in the CVICU as well as Hospice. I love being a nurse and I am a firm believer in treating people the way you want people to treat you or your loved ones. Willing to relocate: Anywhere
