GOAL

To find a PRN RN position for a hospital where I can build upon my skills, knowledge, and patient care. In search of a team environment where I can be challenged by my peers who will also have a willingness to help guide, provide accountability and continual learning opportunities.

EXPERIENCE

North Kansas City Hospital, 2800 Clay Edwards Dr, North Kansas City, MO, 64116 — Clinical Associate/Patient Care Tech

June 2015 - 2019

Assisting with activities of daily living. Obtaining vital signs. Charting intake and output. Communicating and collaborating effectively with health team members and patients to provide best possible care to patients and family members

Clinical direct observation for patient safety and psychiatric needs.

**North Kansas City Hospital, 2800 Clay Edwards Dr, North Kansas City, MO, 64116 - Critical Care Registered Nurse
Cardiac ICU, COVID ICU, Neuro Trauma ICU**

June 2019- January 2022

Collaborating with physicians on patients' plan of care. Implementing orders, critically thinking, full body assessments, and titrating drips. Proficient in caring for postcodes, TTM, CRRT, COVID pruned patients, strokes with TPA, traumas, EVD, STEMI. Actively monitoring vital signs, level of sedation, ventilation, pain, and implementing interventions when needed.

EDUCATION

University of Missouri-Kansas City, Kansas City, MO — Bachelors of Science in Nursing

August 2016 - Graduate with BSN in May 2019

SKILLS

- Attention to detail with critical thinking
- Ability to maintain a positive attitude in stressful situations
