Work Experience

Registered Nurse

Laredo Specialty Hospital - Laredo, TX
March 2021 to Present

ICU nurse and medical surgical nurse where I work with critical care teams to better be able to care for patients and meet their needs. I have worked along side with my team as this was the designated Covid hospital patient to nurse ratio 6 to 1 Covid pts, three icu pts, seven med surg pts.

Registered Nurse Supervisor

Border Region Behavioral Health Center - Laredo, TX
December 2017 to March 2021

I manage and run the IDD Nursing department I have two LVN's and a Patient Care tech that work under me. I help manage patient care, make sure orders are followed through, hire, counsel, delegate and terminate when needed. I educate patients and families, do monthly trainings on medication administration. I also am the IDD Nursing Supervisor so I train staff from the group homes who need guidance in administering care and or other specifications. I'm on call 24/7 as I am the only RN. I manage the care of over 100 patients in different programs, HCS, TXHML, Fosters etc. I also perform annual and quarterly assessment, home visits and participate in managers and leadership trainings quarterly.
