Work Experience

RN Case Manager

St. Joseph Hospice - Alexandria, LA

May 2022 to Present

Instructor

Blue Cliff College - Alexandria, LA

April 2022 to Present

I teach Human Anatomy and Pathologies to college students in the massage therapy department.

Teacher

Rapides Parish School Board - Alexandria, LA

August 2021 to Present

I teach ACT Math Prep, Technical Math, Math Essentials and am certified to teach a health class.

Nurse Intern

Rapides Regional Medical Center - Alexandria, LA

January 2017 to December 2019

I had the opportunity to work along side ER nurses and was able to witness strategies put in place for different emergency protocols. Due to me being a nursing student at the time, I was able to perform at hand care to patients while under the supervision of the nurses I was shadowing during my work experience including but not limited to: rapid response protocols, CPR administration, full body workups and collection of subjective and objective data, medication administration, I assisted with tube feedings, trachea cleanings, catheterizations, blood drawings, IV piggy backs as well as IV fluid administration, and insertions of NG tubes for tubal feedings.

Teaching Assistant

St. James Day School

October 2014 to July 2018

Being a teacher assistant, I helped sit down with the teacher to plan out the following days the activities and learning lessons for the next day. On the days the teacher wasn't available, I would take on that role in making sure the the children continued on with the activities and lessons for that day

Education

College Degree in Bachelor of science in Nursing
