Professional Profile

Well-organized and professional registered nurse who is well versed in establishing a compassionate environment for patients while delivering excellence in patient care services. Proficient in assuring the quality of care by adhering to therapeutic standards with a sound ability to measure health outcomes against specified patient care goals. I am looking to pursue a registered nurse position with your healthcare organization, and the opportunity to deliver quality care.

Experience

March 2022 – Present **Methodist Hospital Stone Oak, San Antonio, TX**
STEP-DOWN RN - CONTRACT FULL-TIME

- Provide nursing care and treatment to various patients with sepsis, strokes, cardiac, respiratory, and GI complications/diagnosis.
- Monitoring and assessments of patients with various conditions. Communicate changes in patient conditions timely, and provide quick intervention of care.
- Day-to-day duties include: titration of drips, wound care, blood administration, lab draws, peripheral and central line management/care, catheter and drain management/care, and medication administration.
- Educate and teach patients and their families on disease processes, procedures, and medications.

October 2019 – Present **St. Luke’s Baptist Hospital, San Antonio, TX**
PCU RN - PRN

- Provide nursing care at the city’s first comprehensive stroke center. Deliver quality care to multiple patients’ of a 29 – bed unit with stroke, brain, spine, and various neurological and medical conditions.
- Adept in assessments, neurological exams, and ability to identify subtle changes in patient conditions. Ability to remain calm under pressure; and strengths in making swift nursing decisions in critical situations.
- Experience with various medication administrations, IV starts, lab draws, transport to immediate CT imaging and other diagnostic procedures while maintaining patient safety.
- Proficient in admissions process and healthcare outcomes education patient teaching.

Clinical & Volunteer Experience

- **Emergency Department, ICU, PCU, and Medical Surgical units**, Resolute Health Hospital, New Braunfels, TX
- **ICU, Labor and Delivery, Couplet/Nursery, Postpartum, and NICU units**, St. Luke’s Baptist Hospital, San Antonio, TX
