EXPERIENCE

MEDICAL UNIVERSITY OF SOUTH CAROLINA, CHARLESTON, SC

RN Staff Nurse, May 2021 - Present

- A dedicated, efficient, and hardworking ADN RN graduate of Trident Technical College. Hoping to expand her education and progress with a well respected hospital and or LTC facility
- She is committed to looking after and restoring the health of the patients she is assigned to care for
- She is a great communicator and listener which will make it easy for her to establish a rapport with all of her patients, This will also make her a great advocate as well
- Teamwork is also important to her, so she is hoping to find a unit family that believes in cooperation and harmony
- Provided nursing care for up to 6 patients per shift on a Med/Surgical- Ortho/Trauma floor of a Level I Trauma Hospital
- Admitted patients/Discharged patients
- Facilitated the plan of care
- Delivered patient and family education
- Worked with a variety of patients requiring tube feeds, ostomies, trachs, wound care, insulin/heparin drips, chest tubes,and more .

SOMERBY SENIOR LIVING, MOUNT PLEASANT, SC

Licensed Practical Nurse, Somerby Senior Living, Jan 2020 - Apr 2021

- Supported patients in achieving healthcare goals through personalized care and ongoing assistance
- Handled patient intake, including documenting vitals, symptoms, and initial assessments
- Coordinated medications for patients, placing pharmacy orders and administering medications
- Contributed to care plans by completing regular, accurate condition and behavior assessments
- Managed medication distribution and security for memory care unit, ensuring each patient received medication and preventing unauthorized access.

SOMERBY SENIOR LIVING, MOUNT PLEASANT, SC

CNA - Certified Nursing Assistant, Aug 2018 - Jan 2020

- Obtained monthly vitals and documenting them in patient chart
- Protected patients by monitoring conditions and promptly reporting problems to RNs
- Supported registered nursing staff by helping develop and carry out effective care plans
- Prevented bedsores, consistently turning patients every 2 hours
- Helped patients move safely with skilled mobility support.

SOMERBY SENIOR LIVING, MOUNT PLEASANT, SC

Medicine Technician, Jan 2018 - Aug 2018

- Maintained accurate records in facility's e Mar system, detailing every medication movement and patient administration
- Recognized and adhered to six rights of medication administration every day with every patient
- Avoided treatment errors, carefully checking personal details and medication information
- Supported effective treatment plans under direction of licensed RNs by passing out medication at prescribed times.

SOMERBY SENIOR LIVING , MOUNT PLEASANT, SC

Caregiver Somerby Senior, Nov 2017 - Jan 2018

- Handled non-medical patient care activities, including laundry, food preparation, and room cleaning.
- Improved well-being of patients by assisting with daily living needs and personal hygiene
- Assisted residents with meeting daily needs through positive encouragement and direct support
- Offered support, companionship, and stimulation through conversation and recreation
- Kept patients comfortable with clean linens and well-stocked rooms.
